Tukaj Hills (Polish: *Pogórze Tukajskie*) is a small woodland region between Temeria and Brugge, about 100 miles long and 20-30 miles wide. The western side in particular is covered in forests, creating a booming business in forestry and thus, the area, in 1245, had around 48 small settlements throughout the region. According to local legend, it was named after a legendary hero known as Tukaj.

Rissberg Castle is located in an uninhabited part of the Hills.
